SEE, TEST & TREAT Day: Cervical & Breast Cancer SCREENINGS & HEALTH FAIR

SEE, TEST & TREAT®

SCREENING AND HEALTH FAIR FOR UNINSURED WOMEN OF NORTHERN KENTUCKY.

St Elizabeth Edgewood
Yung Family Cancer Center & Breast Center
1 Medical Village Drive, Edgewood, KY 41017

- **NO COST TO YOU!** We welcome KY, IN, and OH women to sign up for this event.
- These screening appointments are for women who do NOT have insurance.

Pap Smear (cervical cancer screening test): same day results

- Ages 21 – 65
- Your last Pap smear test must have been 3 or more years ago.
- No abnormal Pap smear results in the past or “female” cancer
- No current “female problems”
- Attend our Health Fair and get education while you wait for your results!

Mammogram (breast cancer screening test): results in 4 to 7 days

- Ages 40 to 74
- 1 year or longer since your last mammogram.
- No current breast problems or breast cancer
- Women ages 35 to 39 can have an early mammogram (“baseline”) one time.

NO COST Health Fair & Connections to Care

- Healthy living information and ideas. *Family and children are welcome!
- Local resources for education, support
- Connections for any follow-up care
- Learn about health insurance plans & no-cost health screening programs (if eligible).
- Free Parking. Thanks to our generous CAP Foundation grant, help with transportation may be available for those who need it.

Appointments required. APPOINTMENT scheduling will begin in August.

Contact us now to get more information or to be placed on our scheduling list.

The See, Test, and Treat Outreach team (Maggie, Samantha, Brenda) at STAT@stelizabeth.com

SEE, TEST & TREAT St Elizabeth information website:

<https://www.stelizabeth.com/care/medical-services-2/cancer/cancer-care-see-test-treat/>. This website will have scheduling information starting in August.
