Commissioner Mefford indicated at the 02/25 meeting that summaries of the interviews were shared with the mayor. He also said that information was shared with commissioners not present... Are these records being withheld or do they not exist?

Also, were you able to let Amy know I requested a call? I haven't heard back, but it hasn't been long.

Thanks,

Brian Garner

Brian,

Sorry, I scanned the documents two sided and you may not have seen the whole letter of receipt.

Per your open records request we do not have any of the following:

- There were no instant messages, written correspondence.
- There were no notes, interview summaries, or memos that reference the appointment of a city commissioner.
- Any Correspondence between legal council is exempt per KRS 61.878
 - Documents generated in the course of meetings between city employees and attorneys are exempt from inspection. 92-ORD-1024.
 - Appointment calendars of persons in public agencies are exempt from public inspection. 03-ORD-165.

I hope this helps to answer your question. Attorney/city employee meetings are exempt from open records as well as calendars of persons in public agencies.

I will reach out to Mayor and Commissioners to request phone logs.

Thank you,

Tammy Wilhoite, CKMC
