

The Kenton County School District is providing an update to the Summit View Academy (SVA) team and community regarding the administrative leadership at the school. The District has received and accepted the resignation of the SVA principal. This action follows the administrative leave that was put in place pending the outcome of an internal investigation.

We are pleased to announce that Julie Pouncy will serve as the Interim Principal for Summit View Academy. Ms. Pouncy is a seasoned leader within our district. Her experience and commitment to student success will provide steady and thoughtful guidance for SVA during this transitional period.

Summit View Academy through the work of their outstanding staff, supportive parents/community and amazing students is experiencing strong momentum and growth, and that will not change. Our office is committed to providing the necessary support to ensure this positive trajectory continues without interruption.

We want to extend our deepest gratitude to the entire SVA team, parents, and community members for your continued support and unwavering focus on ensuring a wonderful learning culture for our kids.

The Kenton County School District remains focused on maintaining a safe, supportive, and excellent educational environment for every student.

Sincerely,

Dr. Henry Webb
